

MetroParks of Butler County ("MetroParks") is committed to providing clean, well maintained and safe facilities for the general use of its customer/owners. This requires balancing the high demand for use by special interest groups. Therefore, this policy will ensure equitable access to park facilities while promoting a diverse range of organized activities which are compatible with MetroParks mission, its responsibilities and its contractual obligations.

This policy will establish specific guidelines that will be used to evaluate the feasibility of and the issuance of licenses for Athletic Events at the Voice of America MetroPark Athletic Field Complex ("Complex") which are not organized, sponsored or cosponsored by MetroParks. It also is intended to ensure safety and balance the needs of general park users, Athletic Event Organizers ("Licensee"), event participants, and the communities surrounding the parks. Athletic event requests submitted to MetroParks for approval must be compatible with MetroParks Rules and Regulations and must not compromise the unique features of the Complex.

MetroParks accepts reservations for Athletic Complex use including: Daily Use and Tournaments. The Complex which consists of 22 multi-purpose natural turf fields and 2 synthetic turf fields are reservable for single use or multiple use play in hourly blocks of time, see license rental fees chart on page 5. MetroParks defines tournament play as two or more consecutive days of play by a single organization utilizing two or more fields for six or more hours per day, in which the organizer charges a pay to play fee. Note: Additional fields may become available for reservation for daily use or multiple use play in hourly blocks of time and if so, will be subject to the license rental fees as listed on page 5. All use of the playing fields and use of most of the parking lots surrounding the complex (as indicated by signage on site) require an official reservation issued by MetroParks to ensure the quality of the fields and to provide for a positive park experience for all, unscheduled and/or unauthorized use of the Complex is NOT PERMITTED.

MetroParks intends to provide players and coaches with a "world class" playing experience. In order for MetroParks to provide a clean, well-maintained and safe playing environment at the most affordable cost, the following fees and use policies have been adopted.

General Information

1. As defined in an agreement with the Butler County Convention and Visitors Bureau ("BCVB"), which provided capital funding for the Athletic Complex, **All event organizers and teams utilizing the VOA Athletic Field Complex for events which require overnight lodging shall select overnight accommodations within Butler County.** The Licensee is required to contact the BCVB to discuss overnight accommodations at 513-860-4194 or at matt@travelbutlercounty.com.
2. Before or after a field use license contract has been executed MetroParks Management reserves the right to:
 - o Fill all open unscheduled fields and time slots with multiple parties and sports; and
 - o Move scheduled play to fields other than those first assigned in order to protect field quality and accommodate the needs of all visitors/users.
3. MetroParks reserves the right to deny Field Use Requests*. If after preliminary review, the proposed event is denied or special conditions of use will be required, the organizer will be notified. MetroParks also reserves the right to cancel review of a proposed event if the Licensee does not submit accurate, complete or timely information or remit all fees as required in this policy or contract.

**Field Use Requests denials may be based on conflicts with other prescheduled events or activities, or requests from an organization which in the past, failed to follow contract provisions, knowingly submitted incomplete or inaccurate information, failed to provide MetroParks with timely information regarding changes to an event, scheduled event activities or the number of expected attendees, caused MetroParks or other park users reasonably preventable damages or loss, and/or failed in the sole judgment of MetroParks to operate the event in a professional and organized fashion.*

4. Athletic Field License Agreements and Permits will only be issued when the following are complete:
 - a) Completed Field Use Request is received, and preliminary approval has been given by MetroParks; and
 - b) Required deposit has been paid in full; and
 - c) Required Certificate of Insurance for the dates of play has been received by MetroParks. *Licensed parties shall agree to and provide MetroParks with proof of valid insurance coverage prior to the time a license contract is executed and if the coverage expires prior to the use dates covered in the license contract again no less than 30 days prior to such dates. Failure to provide proof of insurance coverage pursuant to this policy for each occasion of licensed play is grounds for termination of a license contract.
 - d) Signed copy of Athletic Field Complex Policy and Fees received by MetroParks.
5. All areas of the park land closes at dark unless otherwise specifically authorized in advance by the MetroParks. If requested from the Licensee, MetroParks can arrange for overnight security. This request should be indicated on the Field Use Request form. MetroParks also reserves the right to require overnight security based upon the type of event and/or the presence of equipment, merchandise, or other conditions that elevate security concerns. Sworn peace officers will provide overnight security, which shall be coordinated by the scheduling supervisor at the MetroParks Division of Public Safety. Officers work in an off-duty status and payment shall be made directly to the officer. Payment for off-duty officers shall not be made to MetroParks. The scheduling supervisor at the MetroParks Division of Public Safety will invoice the responsible party at the rate of \$45 per hour, per officer, at the conclusion of the event. Payment shall be made to the officer within 14 days unless otherwise arranged with the scheduling supervisor. MetroParks will suspend the ability of any event organizer and/or organization to make future reservations in the event off-duty officers do not receive payment within 14 days.
6. The natural turf fields are open for reservations and use from April 15th thru October 31st. The turf-growing season for natural turf fields is extremely limited, therefore, use prior to April 15th or after November 1st is limited to ensure field quality. Exceptions for play outside of the established seasons must be specifically approved by MetroParks Executive Director, Deputy Director and/or Assistant Director. The synthetic turf fields are open for reservations year-round.
7. Due to the nature of the use of the licensed fields, Licensee agrees to complete and cause each participant in a tournament or licensed play or activity permitted by the license agreement to sign the MetroParks Participant Waiver of Responsibility Form. The Executive Director of MetroParks, in his or her sole discretion, may authorize alternative language or waive this requirement in writing.
8. Licensee and all other Licensed Parties understand and agree that he/she/they are prohibited from driving off-road vehicles, ATVs, APVs, utility vehicles, gators, golf carts, etc. within the Park, and no motor vehicle shall be driven off a designated Park roadway without prior approval from the Executive Director of MetroParks or his/her designee as evidenced by a valid MetroParks permit and or license contract provision..
9. In order to ensure public safety is preserved and the facilities are protected, MetroParks requires that Ohio Peace Officers are present during all but the smallest of events. The actual number of peace officers required for an event will be established by the Chief Ranger based upon the number of attendees, volume of traffic, specific type of event, and/or other factors that may impact the event, complex, or surrounding communities. Peace officers at a tournament or at other licensed play use will be obtained by the scheduling supervisor at the Public Safety Division. Peace Officers work in an off-duty status for the event organizer, but remain under the control and direction of MetroParks Public Safety Division. Payment for peace officer services shall be made directly to the officer and shall not be made to MetroParks. Established rates for Peace Officers are \$45 per hour per officer for security duties and \$50 per hour per officer for traffic duties. Supervisors are required when the number of officers required is greater than two, at a rate that is \$5 per hour higher than the established officer rate. More than one supervisor may be required for large events that employ multiple officers. The Chief Ranger may require the use of Public Safety Assistants to augment peace officers during events. Public Safety Assistants are non-sworn personnel and have an established rate of \$15 per person per hour. The scheduling supervisor at the MetroParks Public Safety Division will invoice the responsible party for the hours worked by all Peace Officers and Public Safety Assistants at the conclusion of the event. The event organizer or responsible party shall have 14 days to render payment as specified in Paragraph #5 of this policy

10. All motor vehicles entering the parks must **display a valid Motor Vehicle Permit ("MVP")**. All motor vehicles must park on hard surfaces or in designated parking locations only. No vehicles are permitted on athletic fields, pathways or trails without prior permission from MetroParks.
 - a) Butler County residents may receive a free annual permit. Residents are encouraged to apply for a permit in person in advance of the athletic season of use.
 - b) Non-Butler County Residents may purchase MVP's for \$5/daily or \$10/annual. Individual MVP's are available at the MetroParks Administrative Office (513-867-5835), Voice of America Welcome Center (513-755-4402), or on-line in advance of each use occasion at www.YourMetroParks.net.
 - c) Included with Tournament Option 2 and 3 are **200** Motor Vehicle Permits covering the dates of tournament play that will be issued to the organizer prior to the event. Motor Vehicle Permits will be distributed after final payment is made. These permits must be displayed on each individual motor vehicle for entrance into the Athletic Complex and are not for resale.
 - d) The organizer may choose to pay for additional Motor Vehicle Permits before or after the event. For more information on this contact MetroParks.
11. **In the case of inclement weather**, any organization scheduled to play on the fields must review the Voice of America MetroPark Sports Field Conditions webpage in advance of each occasion to determine if the fields have been closed in order to prevent injuries and surface damage. MetroParks will use the following criteria for closing any field(s): standing water, saturated fields and any unsafe playing conditions. If inclement weather occurs during licensed use, teams must use their own best judgment to continue or cancel during that use period. Any Licensee who uses fields that have been closed by MetroParks through the Voice of America MetroPark Sports Field Conditions webpage will be assessed a \$500.00 per field fine. Notice of field closures due to inclement weather will take place no later than 4:00 p.m. on weekdays and 8:00 a.m. on Saturday, Sunday and legal holidays. The Licensee and/or team may be notified of closings by posted signs and/or the MetroParks website. The **Voice of America MetroPark Sports Field Conditions website is www.YourMetroParks.net/parks/voice-of-america-metropark/athletic-complex/field-status**.
12. It is the responsibility of the Licensee that all persons in attendance at any event or activity under his/her/their control shall comply with MetroParks Rules and Regulations and Athletic Field License Agreement & Permit provisions at all times. See MetroParks website at <http://yourmetroparks.net/about/policies-rules> for specific information about MetroParks Rules and Regulations.
13. Only the Licensee whose name is on the rental application or other person duly authorized by the Licensed party can submit changes to the proposed use of park property. Changes must be submitted in writing and if agreeable to MetroParks, approval in writing by MetroParks staff will be provided. MetroParks staff will determine if additional fees are necessary.

The insurance certificates of all subcontractors/vendors, providing services on the Licensed premises, shall also be submitted to MetroParks prior to the execution of the Complex License Agreement and Permit.
