## Cancellation Policies for All Facilities

**(A)** Cancellation requests must be submitted in writing at least 30 days prior to scheduled date of use. MetroParks will attempt to reschedule use if possible. If not possible, a full refund will be issued within 4-6 weeks. If cancellation occurs less than 30 days prior to scheduled date of use, MetroParks will try to reschedule, but no refund will be issued if a rescheduled date, which is mutually agreeable to both parties (the user and the MetroParks) is not found. MetroParks will offer a credit minus the 10% processing fee to the user for them to use within one year of the cancelled date in the event both parties are unable to agree upon a rescheduled date.

**(B)** If Licensee desires to cancel this Agreement, and if notification is given in writing to MetroParks at least 90 days prior to the date reserved, MetroParks will refund any previous payment made by the Licensee for this rental less a processing fee of 10% of full facility rental. If the Licensee cancels the reservation less than 90 days prior to the event, the refund request will be honored, minus 10%, when, or if, another party confirms a reservation for the time of the originally planned use. It will be the responsibility of the Licensee, who has cancelled the use, to contact MetroParks to inquire if they are eligible for a refund. If eligibility of a refund is not applicable the user will be offered a credit minus the 10% processing fee to use for a future date within one year of the cancelled date. Cancellations received less than 14 days prior to the scheduled event will not be eligible for a refund of the deposit or any other payments made.

**PLEASE NOTE: SOME FACILITIES ARE CURRENTLY NOT AVAILABLE FOR RESERVATIONS.**
