

The Great Miami River Trail will be closed in Middletown between Barnitz Park and the River Center for sewer work from May 25 to June 15, 2021. The City of Middletown has suggested the following detour: Northbound traffic should exit the trail at Barnitz Park, turn left on Main Street, then left on Second Avenue, and rejoin the trail at the River Center. Southbound traffic should exit the trail at the River Center, turn right on Second Avenue, then right on Main Street, and rejoin the trail across from Barnitz Park. Thank you for your patience and understanding.
