PROGRAM OFFERINGS:

Rising 1st - 2nd Grade - Village Kids

The life of children in the Pioneer Village wasn't always just fun and games. While there may be a few frivolities involved, kids were expected to help out with many chores – as you all are sure to find out!

Rising 3rd - 4th Grade - Learning to Work

There are many jobs to do in the Pioneer Village, and there's a whole lot to learn. As older kids, it's about time you became apprentices and prepared for the job you would have as an adult.

Rising 5th Grade & up - Moving Out West

It's time to leave the village and find even more adventures further out on the new frontier. Use teamwork to plan your trip, but be ready to face challenges along the trail that may even test your group's survival skills, like fire starting and shelter building.
