

Bench Donation and Sponsorship Program

Contact MetroParks at Info@yourmetroparks.net to begin the donation process.

MetroParks of Butler County has a bench donation program designed to help park visitors, nonprofits, or businesses remember a friend or loved one, recognize an important event or accomplishment, or simply support the Mission of the MetroParks. The bench donation program funds the addition of much needed benches on walking paths, trails, shelters, waterways and playgrounds, while leaving a lasting legacy in your favorite park. In order to provide a consistent and well-maintained look, MetroParks has selected two bench types that will be used in selected MetroParks locations across Butler County. The bench styles and associated costs are shown below. For more information, contact MetroParks at 513-867-5835 or email info@yourmetroparks.net. Other donation and sponsorship opportunities are also available.

Donors may also choose to have their donation acknowledged on the MetroParks website at no additional charge. The following is an example of a possible website acknowledgment and/or engraving on the plaque: "In Loving Memory of our Father, Tom Smith, March 3, 2014".

Donations and sponsorship arrangements are accepted/made year round. All contributions to the MetroParks are fully tax-deductible to the extent provided by law. As part of the program, MetroParks will send all donors a letter acknowledging the gift and, if requested, will send a notice regarding the donation to another person (a friend, a family member or other person) designated by the donor/sponsor.

Standard	Premier
	
Brown 6' Contour Bench Recycled Plastic Slats	Black 6' Grass Pattern Bench Powder-Coated Metal
All MetroParks Except Premier Bench Sites	River Center at Bicentennial Commons and UC Health Fieldhouse at Voice of America MetroPark
\$2,700.00	\$3,340.00

Notes:

1. Donation/Sponsorship Amount includes bench, memorial plaque, shipping, concrete pad, and installation.
2. Sites will be allocated on a space available basis. Contact MetroParks for details.
3. Final appearance of "standard" bench may vary slightly.
4. Bench location to be determined by MetroParks with input from donor.
5. If at any time a plaque needs replacement, an additional donation for the price of the plaque with engraving will be required.
