

NOVEMBER 2024

A MONTH OF SERVICE

As the weather starts to change and the air cools down, October is reliably one of the busiest months for volunteering, and this year was no exception. From the rescheduled Pioneer Life, the Howl and Trunk and Treats, to the Badin Senior Service project cleaning out the dump site in Governor Bebb, Synergy helping dig out part of the Sub-Basement at the Chrisholm Historic Homestead, and both Edgewood National Honor Society and Monroe High School Environmental Club doing Litter Pickups at Antenen Nature Preserve and Sebald MetroPark. Not to forget our Trail Ambassadors, who hiked, biked, and inspected 679 miles worth of trails this month, and to all our other volunteers, thanks for making October a great month!
